VOLUME LXIV

NUMBER 25

September 27, 2018

October is Pastor Appreciation Month.

Every October across North America churches give focused attention to appreciating their pastors in tangible ways. Please take the time and let Travis Gosnell and Lucas Mann know how much their ministries mean to you.

Also, make a special effort to reach out to former pastors and tell them how much their past ministries to our church have meant to you and your family by visiting with them, calling them or simply sending a card of thanks.
